NOTICE OF REMOVAL **JUDGE MARBLEY**

JURY DEMAND

**MAGISTRATE JUDGE KING**

Defendant Accura Bullets, LLC d/b/a Powerbelt Bullets i/s/h/a Powerbelt Bullets ("Powerbelt"), by and through its undersigned counsel, files this Notice of Removal of the above-entitled action from the Court of Common Pleas, Guernsey County, State of Ohio to the United States District Court for the Southern District of Ohio, Eastern Division. By this petition, Powerbelt gives notice of the removal of this action. This notice of, and petition for, removal is made pursuant to 28 U.S.C. §§ 1441, *et seq.*, and is proper and appropriate based upon the following:

**I. INTRODUCTION.**

1. Defendant desires to exercise its right under the provisions of 28 U.S.C. §§ 1441, *et seq.*, to remove this case from the Court of Common Pleas, Guernsey County, State of Ohio, where this case was pending under the case style of *Glen Underwood v. Connecticut Valley Arms, Inc, et al.*, Case No. 09PI000703. Specifically, 28 U.S.C. § 1441 provides:

Except as otherwise expressly provided by Act of Congress, any civil action brought in a State court of which the district courts of the United States have original jurisdiction, may be removed by the defendant or the defendants, to the district court of the United States

for the district and division embracing the place where such action is pending.

28 U.S.C. § 1441(a).

2. Plaintiff filed his Complaint on or about December 17, 2009 seeking damages for personal injuries when a .45 caliber muzzleloader allegedly “exploded in his face.” (*See* Ex. A, Plt. Compl. 12/17/09 at ¶ 18.) The Summons was mailed, via regular mail, to Defendant Powerbelt on or about January 7, 2010. (*See* Ex. B, Summons 1/7/10; Ex. C, Guernsey County Docket Sheet.) Upon information and belief, Defendant Powerbelt received the Summons and Complaint on or about January 11, 2010.

3. Defendant Powerbelt reserves all objections, arguments, and defenses to Plaintiff’s Complaint. A responsive motion or pleading will be filed in accordance with Rule 81 of the Federal Rules of Civil Procedure.

4. Copies of all process, pleadings and orders served upon Defendant Powerbelt are collectively attached to this Notice of Removal.

## II. NOTICE OF REMOVAL IS TIMELY.

5. The time in which Defendant Powerbelt is required to move, answer or otherwise plead in response to Plaintiff’s Complaint has not elapsed.

6. Pursuant to the requirements of 28 U.S.C. § 1446(b), this Notice of Removal is timely filed pursuant to Rule 11 of the Federal Rules of Civil Procedure within thirty (30) days after the receipt, through service or otherwise, of a copy of the initial pleading setting forth the claim for relief upon which Plaintiff’s action is based.

### III. DIVERSITY JURISDICTION EXISTS.

7. Removal is authorized by 28 U.S.C. § 1441 and is based on the United States District Court's original jurisdiction of the case pursuant to 28 U.S.C. § 1332 because (1) there is diversity of citizenship between the plaintiff and the defendants and (2) the amount in controversy exceeds \$75,000.

#### A. Diversity of Citizenship.

8. At the time of the commencement of this action and at all times thereafter Defendant Powerbelt has been and is an Idaho corporation with its principal place of business in Nampa, Idaho.

9. Upon information and belief, at the time of the commencement of this action and at all times thereafter, Defendant Connecticut Valley Arms, Inc. ("CVA") has been and is a Georgia corporation with a principal place of business in Georgia.

10. Upon information and belief, at the time of the commencement of this action and at all times thereafter, Defendant Blackpowder Products, Inc. ("BPI") has been and is a Georgia corporation with a principal place of business in Georgia.

11. Upon information and belief, at the time of the commencement of this action and at all times thereafter, Defendant Cabela's Inc ("Cabela's") has been and is a Delaware corporation with its principal place of business in Nebraska.

12. Upon information and belief, at the time of the commencement of this action and at all times thereafter, Defendant Hodgdon Powder Company ("Hodgdon") has been and is a Kansas corporation with its principal place of business in Kansas.

13. Upon information and belief, at the time of the commencement of this action and at all times thereafter, Defendant Dikar, S. Coop., Ltd. ("Dikar") has been and is a Spanish corporation with its principal place of business in Spain.

14. The remaining “John Doe” defendants are fictitious and must be disregarded for purposes of diversity jurisdiction. *See, e.g., Derungs v. Wal-Mart Stores, Inc.*, 162 F. Supp. 2d 861, 863 n. 4 (S.D. Ohio 2001) (“It is well settled that the citizenship of John or Jane Doe defendants is disregarded for purposes of determining diversity.”).

15. Since Plaintiff is a resident of Guernsey County, Ohio (*see* Exhibit A, Plaintiff’s Complaint at ¶ 1) and no Defendant is incorporated or has its principal place of business in Ohio, complete diversity exists between Plaintiff and Defendants.

**B. Amount in Controversy.**

16. Plaintiff’s Complaint fails to specify the amount of damages sought. (*See* Ex. A, Plt. Compl. at p. 14 (“Plaintiff Glen Underwood prays for damages against the Defendants for compensatory, consequential, incidental, special, and medical damages in an amount in excess of \$25,000 . . . .”)) Based upon a “fair reading” of the damages sought by Plaintiff, however, it is apparent that the amount in controversy exceeds the jurisdictional threshold.

17. In cases where the amount a plaintiff seeks to recover is not specified, the defendant must demonstrate that “more likely than not” the amount in controversy will exceed \$75,000. *See Gafford v. Gen. Elec. Co.*, 997 F.2d 150, 158 (6th Cir. 1993) (holding that when the plaintiff seeks to recover an unspecified amount that is not self-evidently greater or less than the federal amount-in-controversy requirement, the “more likely than not” test is the appropriate burden of proof); *Long v. McKesson HBOC Red Line Healthcare*, No. C2-01-1226, 2002 WL 1578840, \*4 (S.D. Ohio Apr. 26, 2002) (same). In such a situation, the defendant is permitted to demonstrate that the amount in controversy requirement is met based on a “fair reading of the complaint.” *Hayes v. Equitable Energy Res. Co.*, 266 F.3d 560, 574 (6th Cir. 2001); *Gantzer v. Langley*, No. 2:09-cv-295, 2009 WL 1604799 \*2 (S.D. Ohio. June 2, 2009). Furthermore, in addition to compensatory damages, claims for punitive damages should be included in any assessment of the amount in controversy. *See, e.g., Clark v. Nat’l*

*Traveler Life Ins. Co.*, 518 F.3d 560, 572 (6th Cir. 1975); *Karl v. Bizar*, No. 2:09-CV-34, 2009 WL 2175981, \*3 (S.D. Ohio July 21, 2009).

18. According to the allegations in his Complaint, as a result of the alleged incident, Plaintiff claims to have “sustained severe facial damage,” including loss of eyesight in his right eye. (*See* Ex. A, Plt. Compl. at ¶¶ 18-22.) Plaintiff alleges further that “at least one piece of glass was found in [his] face” after the purported incident. (*Id.* at ¶ 19.) Based on the alleged incident, Plaintiff seeks monetary damages for, *inter alia*, the following:

Plaintiff has suffered severe and permanent injuries, including but not limited to loss of eyesight in his right eye, severe scarring, and facial fractures. These injuries have caused Plaintiff to incur lost wages, and medical and hospital expenses. Due to the permanent nature of these injuries, Plaintiff expects the injuries to cause him to incur medical and hospital expenses into the indefinite future.

[He] has suffered severe pain, suffering, mental anguish, and loss of enjoyment of life and, due to the permanent nature of the injuries, will continue to suffer from severe pain, suffering, mental anguish and loss of enjoyment of life into the indefinite future.

(*Id.* at ¶¶ 21-22.) Plaintiff also seeks punitive damages. (*Id.* at ¶¶ 64-65.)

19. As such, based on a fair reading of the Complaint, Defendant has a good faith belief that the amount in controversy, exclusive of interest and costs, exceeds \$75,000.

#### IV. CONFORMITY WITH THE RULE OF UNANIMITY.

20. The “rule of unanimity” requires that all the defendants to an action who have been served or otherwise properly joined in the action either join in the removal or file a written consent to the removal. *Brierly v. Alusuisse Flexible Packaging, Inc.*, 184 F.3d 527, 533 n. 3 (6th Cir. 1999).

21. Upon information and belief, Defendants Cabela’s and Hodgdon were served on December 21, 2009, and Defendants CVA and BPI were served on December 28, 2009. (*See* Ex. C,

Guernsey County Docket Sheet.) All of the above named defendants who have been served with the Summons and Complaint have consented to removal.

22. Upon information and belief, Defendant Dikar has not been served with the Summons and Complaint as of the date of removal. Counsel for Dikar has confirmed that once Dikar is properly and effectively served with the Summons and Complaint, it will formally file a written consent to removal in conformity with all requirements.

23. Thus, based on the foregoing, all Defendants have consented to removal, and the “rule of unanimity” is satisfied.

#### **V. REMOVAL TO THIS DISTRICT IS PROPER.**

24. This case is being removed from the Court of Common Pleas, Guernsey County, State of Ohio to the United States District Court for the Southern District of Ohio, Eastern Division, which is authorized pursuant to 28 U.S.C. §§ 1441, *et seq.*

#### **VI. CONCLUSION.**

25. Pursuant to 28 U.S.C. § 1446, a copy of this Notice of Removal is being filed with the Clerk of Court of the Guernsey County, Court of Common Pleas, as required by law, and a copy of this Notice of Removal is being served on Plaintiff. (*See Ex. E, Notice of Filing of Removal 2/3/10.*)

26. Defendant reserves the right to amend or supplement this Notice of Removal, and Defendant reserves all defenses.

27. Defendant requests a trial by jury.

**WHEREFORE**, Defendant Powerbelt prays that this case be removed from the Court of Common Pleas, Guernsey County, State of Ohio to this Court for the exercise of jurisdiction over

this action as though this case had been originally instituted in this Court and that no further proceedings be had in the Guernsey County Court of Common Pleas.

Defendant Dikar is subject to service of process pursuant to the Hague Convention.

8. The true names and capacities (whether individual, partnership, corporation or otherwise) of Defendants John Does #1-5 could not be discovered by the Plaintiff at this time and the Plaintiff has sued these unknown Defendants under these fictitious names.
9. When the true names of said Defendants John Does #1-5 have been ascertained, Plaintiff will seek leave to amend this Complaint accordingly.
10. Plaintiff is informed and believes that Defendants John Does #1-5 are legally responsible for events and occurrences that are described in this Complaint and that Defendants John Does #1-5 proximately caused injuries and damages to Plaintiff as set forth herein.

**JURISDICTION AND VENUE:**

11. Jurisdiction is conferred on this Court by Ohio Rev. Code § 2305.01.
12. Venue is proper in Guernsey County, Ohio by virtue of Rule 3(B)(1), (3), and (6) of the Ohio Rules of Civil Procedure since Defendants resided in, and/or conducted activity which gave rise to the claim for relief in, and/or all or part of the claim for relief arose in, Guernsey County, Ohio.

**SERVICE OF PROCESS**

13. Service of Process is permitted upon the Defendants by virtue of Ohio Rules of Civil Procedure Rules 4.2(A) and (F).

**COMMON FACTUAL ALLEGATIONS**

14. The BPI/CVA/Dikar Kodiak 209 Magnum Pivot Block Action .45 caliber muzzleloader rifle, serial number 61-13-104092-04 (hereinafter "Muzzleloader"), was designed, developed, exported, imported, marketed, and placed into the stream of interstate commerce by Defendants BPI, CVA, and Dikar, for sale to and use by consumers like Glen Underwood in numerous states, including Ohio.
15. On or about February 25, 2006, Glen Underwood (hereinafter "Plaintiff") purchased the Muzzleloader from the Defendant Cabela's retail location in Triadelphia, West Virginia.
16. On December 26, 2007, Plaintiff was preparing to shoot the Muzzleloader at targets on his property in the City of Cambridge, County of Guernsey, State of Ohio.
17. Plaintiff loaded the Muzzleloader properly, using .45 caliber bullets (hereinafter "Bullets") manufactured by Defendant Powerbelt and 150 grains of Triple 7 gunpowder, in pellet form, (hereinafter "Gunpowder") manufactured and pre-measured for use in 150 grain rifles by Defendant Hodgdon.

18. When Plaintiff pulled the trigger of the Muzzleloader to take the first shot, the Muzzleloader exploded in his face.
19. Pieces of the wooden stock, barrel, scope, and front half of the receiver were found in the field and on the railing that Plaintiff was shooting from, and at least one piece of glass was found in Plaintiff's face.
20. Plaintiff sustained severe facial damage and began to bleed heavily.
21. As a direct and proximate result of the Defendants' negligence, Plaintiff has suffered severe and permanent injuries, including but not limited to loss of eyesight in his right eye, severe scarring, and facial fractures. These injuries have caused Plaintiff to incur lost wages, and medical and hospital expenses. Due to the permanent nature of these injuries, Plaintiff expects the injuries to cause him to incur medical and hospital expenses into the indefinite future.
22. As a direct and proximate result of the Defendants' negligence, Plaintiff has suffered severe pain, suffering, mental anguish, and loss of enjoyment of life and, due to the permanent nature of the injuries, will continue to suffer from severe pain, suffering, mental anguish and loss of enjoyment of life into the indefinite future.

**FIRST CAUSE OF ACTION**  
**[Negligence – All Defendants]**

23. Plaintiff incorporates the preceding paragraphs as if fully rewritten herein.
24. Defendants Cabela's, CVA, BPI, Dikar, Powerbelt, Hodgdon, and/or John Does #1-5 owed a duty of reasonable care to Plaintiff, and were obligated to protect him against the foreseeable risk of harm imposed by the Muzzleloader, Bullets, and Gunpowder, respectively.

25. Defendants breached their duty of care owed to Plaintiff to protect him from an unreasonable risk of harm in that they negligently researched, tested, manufactured, designed, developed, distributed, advertised, marketed, inspected, configured, and/or sold their respective products for subsequent use by the Plaintiff.
26. Defendants negligently failed to warn or alert Plaintiff of the dangers and hazards associated with the use of the said products.
27. Defendants were negligent in that they knew or should have known that the products were unreasonably dangerous and harmful to persons who would use them for the foreseeable and intended purpose for which they had been purchased.
28. As a direct and proximate result of the Defendants' negligence, Plaintiff has suffered severe and permanent injuries, including but not limited to loss of eyesight in his right eye, severe scarring, and facial fractures. These injuries have caused Plaintiff to incur lost wages, and medical and hospital expenses. Due to the permanent nature of these injuries, Plaintiff expects the injuries to cause him to incur medical and hospital expenses into the indefinite future.
29. As a direct and proximate result of the Defendants' negligence, Plaintiff has suffered severe pain, suffering, mental anguish, and loss of enjoyment of life and, due to the permanent nature of the injuries, will continue to suffer from severe pain, suffering, mental anguish and loss of enjoyment of life into the indefinite future.

**SECOND CAUSE OF ACTION**

**[Products Liability – All Defendants (R.C. §§ 2307.71 et seq.)]**

**Strict Liability: Inadequate Warning or Instruction**  
**(R.C. § 2307.76)**

30. Plaintiff incorporates the preceding paragraphs as if fully rewritten herein.

31. Plaintiff states that there was a defect in the products in design and/or construction as defined by Ohio Revised Code §2307.71 et. seq, which were manufactured and/or sold by Defendants.
32. Defendants Cabela's, CVA, BPI, Dikar, Powerbelt, Hodgdon, and/or John Does #1-5, as duly licensed corporations, marketed, researched, tested, configured, developed, distributed, labeled, advertised, inspected, designed, manufactured, sold and/or otherwise introduced into the stream of commerce the Muzzleloader, Bullets, and Gunpowder, respectively, which were being used by Plaintiff during the events described above.
33. Defendants knew, or in the exercise of reasonable care, should have known, about the risk of injury to the Plaintiff, and others like him, from the use of and exposure to the Defendants' products.
34. Defendants failed to provide warnings and instructions that a manufacturer, exercising reasonable care, would have provided concerning the risk to Plaintiff in light of the likelihood that the products would cause harm of the type for which Plaintiff seeks compensation in light of the seriousness of that harm. The lack of said warnings and/or instructions created a danger to the Plaintiff.
35. The products were further defective due to inadequate post-marketing warning or instruction because Defendant knew or, in the exercise of reasonable care, should have known about a risk that is associated with the products and that allegedly caused harm for which the claimant seeks to recover compensatory damages, and the manufacturer failed to provide the warning or instruction that a manufacturer exercising reasonable care would have provided concerning that risk, in light of the likelihood that the products would cause harm of the type for which the claimant seeks to recover compensatory

damages and in light of the likely seriousness of the harm. The lack of said warning and/or instructions created a danger to the Plaintiff.

36. The defects existed at the time the Muzzleloader, Bullets, and Gunpowder left the control of the manufacturers and was introduced into the stream of commerce by Defendants.

37. As a direct and proximate result of the Defendants' negligence, Plaintiff has suffered severe and permanent injuries, including but not limited to loss of eyesight in his right eye, severe scarring, and facial fractures. These injuries have caused Plaintiff to incur lost wages, and medical and hospital expenses. Due to the permanent nature of these injuries, Plaintiff expects the injuries to cause him to incur medical and hospital expenses into the indefinite future.

38. As a direct and proximate result of the Defendants' defective products, Plaintiff has suffered severe pain, suffering, mental anguish and loss of enjoyment of life, and, due to the permanent nature of the injuries, will continue to suffer from severe pain, suffering, mental anguish and loss of enjoyment of life into the indefinite future.

**Defective Due To Nonconformance With Manufacturer's Representation**  
**(R.C. 2307.77)**

39. Plaintiff incorporates the preceding paragraphs as if fully rewritten herein.

40. The Muzzleloader, Bullets, and Gunpowder were defective due to their failure to conform, when they left the control of Defendant manufacturers CVA, BPI, Dikar, Powerbelt, and Hodgdon, respectively, to a representation made by those Defendant manufacturers.

41. As a direct and proximate result of the Defendants' negligence, Plaintiff has suffered severe and permanent injuries, including but not limited to loss of eyesight in his right eye, severe scarring, and facial fractures. These injuries have caused Plaintiff to incur

lost wages, and medical and hospital expenses. Due to the permanent nature of these injuries, Plaintiff expects the injuries to cause him to incur medical and hospital expenses into the indefinite future.

42. As a direct and proximate result of the Defendants' defective products, Plaintiff has suffered severe pain, suffering, mental anguish and loss of enjoyment of life, and, due to the permanent nature of the injuries, will continue to suffer from severe pain, suffering, mental anguish and loss of enjoyment of life into the indefinite future.

**Defective Design, Formulation, and/or Manufacture or Construction**  
**(R.C. §§ 2307.74, 2307.75)**

43. Plaintiff incorporates the preceding paragraphs as if fully rewritten herein.
44. The Muzzleloader, Bullets, and Gunpowder were defectively designed and/or manufactured because they failed to withstand normal and reasonable use by the Plaintiff, and otherwise failed to perform adequately and safely when used in an intended and reasonably foreseeable manner, so as to proximately cause injuries to Plaintiff.
45. The defects existed at the time the products left the control of the manufacturers and were introduced into the stream of commerce by Defendants Cabela's, CVA, BPI, Dikar, Powerbelt, Hodgdon, and/or John Does #1-5, respectively.
46. Specifically, Plaintiff states that the Defendants researched, tested, manufactured, designed, configured, developed, distributed, advertised, marketed, inspected and/or sold the products, and knew or should have known that these products would be used and handled by users without any knowledge of their products' defects and inherent dangers and without any inspection for dangers and defects.
47. Defendants knew, or in the exercise of reasonable diligence should have known, of the risk of injury to the Plaintiff, and others like him, from the use of products.

48. The said products are more dangerous than an ordinary consumer or user would expect when used in an intended and reasonably foreseeable manner.
49. The benefits of the products do not outweigh the risks inherent in their design and configuration.
50. As a direct and proximate result of the Defendants' negligence, Plaintiff has suffered severe and permanent injuries, including but not limited to loss of eyesight in his right eye, severe scarring, and facial fractures. These injuries have caused Plaintiff to incur lost wages, and medical and hospital expenses. Due to the permanent nature of these injuries, Plaintiff expects the injuries to cause him to incur medical and hospital expenses into the indefinite future.
51. As a direct and proximate result of the Defendants' defective products, Plaintiff has suffered severe pain, suffering, mental anguish and loss of enjoyment of life and, due to the permanent nature of the injuries, will continue to suffer from severe pain, suffering, mental anguish and loss of enjoyment of life into the indefinite future.

**THIRD CAUSE OF ACTION**  
**[Breach of Implied Warranty – All Defendants]**

52. Plaintiff incorporates the preceding paragraphs as if fully rewritten herein.
53. Defendants Cabela's, CVA, BPI, Dikar, Powerbelt, Hodgdon, and/or John Does #1-5, impliedly warranted that the Muzzleloader, Bullets, and Gunpowder, respectively, were of good and merchantable quality, fit and safe for their ordinary and intended uses without endangering human life or safety and free from design and manufacturing defects.
